Supervision of Children

- Parents or guardians **MUST** be responsible for supervising their children.
- Lifeguards are responsible for enforcing the safety rules and responding to emergency situations.

Policies Regarding Unscheduled Closing of Aquatic Facility

- The pool will be cleared for a period of 20 minutes anytime lightening is spotted or thunder is heard. Patrons will be allowed to re-enter the pool once the time has elapsed without reoccurrence of thunder or lightening. If stormy conditions continue, the pool will be closed for the day.
- When a situation arises that would jeopardize public health or safety of the people in attendance. According to Illinois Health code guests must be asked to clear the pool anytime there is vomiting or fecal accident in the water. The pool will be cleared for a period of 20 minutes while chemical adjustments are made.
- When the air temperature falls below 70 degrees Fahrenheit for a continuous one hour period, the pool will close for the day.
