

Village of Princeville

Water – Sewer – Garbage – Recycle Rates & Fees

Water Rates: As of 04/17/07 the water rates for residential, commercial, and industrial within the village limits and outside village limits are as follows,

(a) For all water users (within the village limits) the monthly water rate:

0-1,000 gallons - \$10.41 flat fee

1,000-250,000 -\$5.69 per thousand gallons plus flat fee

Over 250,000 - \$3.88 per thousand gallons plus \$1,432.91

(b) For all water users (outside village limits) the monthly water rate:

1-1,000 gallons – \$14.56 flat fee

1,000-250,000 - \$6.10 per thousand gallons plus flat fee

Over 250,000 - \$4.29 per thousand gallons plus \$1,539.56

Sewer Rates: As of 01/01/2022 the sewer rates for residential, commercial and industrial within the village limits are as follows,

The user fee for the village’s sanitary sewer system is \$13.00 per month.

The monthly sewer rate is \$4.00 per each 1,000 gallons of water usage during that month.

Garbage Rates: As of 07/01/2016 the contracted residential garbage rates through GFL Environmental Inc. are as follows,

(a) July 1, 2020 – June 30, 2021 \$11.25 per household

(b) July 1, 2021 – June 30, 2022 \$11.50 per household

(c) July 1, 2022 – June 30, 2023 \$11.75 per household

*Commercial/Dumpster rate information can be obtained from GFL Environmental Inc.

Recycle Rates: As of 05/02/2022 the contracted recycle rates through Eagle Enterprises Recycling Inc. are as follows,

(a) \$3.45 per household per month commencing July 1, 2021

(b) \$3.95 per household per month commencing July 1, 2022

(c) \$4.11 per household per month commencing July 1, 2023

(d) \$4.27 per household per month commencing July 1, 2024

(e) \$4.44 per household per month commencing July 1, 2025

(f) \$4.62 per household per month commencing July 1, 2026

Technology Fee: Effective 10/01/2018, a Technology Fee for the village’s water system was added to monthly water bills at an amount of \$5.00 per residential, commercial and industrial users. Due to the village incurring increased costs and expenses in providing, maintaining and upgrading the village’s water system in recent years and with the recent upgrade of the new radio water meter system, this fee was added to the monthly water bills.

As of January 1, 2022 the Technology Fee will remain \$5.00, the funds to be divided as follows: \$3.00 going into the water fund and \$2.00 going into the sewer fund.
